JUMBY EXPLORERS

Welcome to our kid's club, where we ignite imaginations and broaden smiles through fun and educational activities, in a safe environment.

A PROGRAMME FOR ALL AGES

The Jumby Explorers programme is designed to provide our younger guests with special services, amenities and convenience items just for them. Our highly trained team offers a vast mix of activities especially tailored for specific age groups:

Ages 3yrs - 8yrs

Ages 9yrs - 12yrs

- **Under 3yrs** - Children below 3yrs and accompanying adults, nannies or babysitters will not be allowed past the reception area of the Jumby Explorers Kids Club but will be provided with 'pack and plays' and beach toys that can be utilized in the resort public areas or guest accommodations.
- **Potty-training** - Children 3yrs and up must be potty-trained, or in the care of a Jumby Explorer Babysitter (*babysitting services are available at an additional cost*). Children who are still in diapers are required to wear swimming diapers whilst in the pool.
- **The Sessions** - There are two sessions daily: 9:30am – 12:30pm and 2:00pm – 5:00pm. We are closed for lunch and sanitizing between 12:30pm - 2:00pm daily.

- **Pre-booking** - Pre-booking is open from 9am to 2pm for the following day. This is mandatory for each desired session and can be done via the Kids Club. During periods of high occupancy, the number of children may be reduced, and attendance may be limited to one session per day.
- **Registration Form** – This should be completed and emailed in advance or brought to the Kids Club on the first day or arrival.

FOR THE SAFETY OF EACH CHILD

Mandatory RT-PCR test (Covid-19 test)

Please be advised that all children over the age of 2 are required to take a mandatory RT-PCR test (Covid-19 test) no more than 7 days prior to arrival to Jumby Bay Island. This also applies to Guests arriving to Jumby Bay Island from on on-island location or via private yacht. Test results should be submitted to the Resort prior to arrival. Children will not be allowed to utilize the Jumby Bay Explorers without a negative result within this prescribed time.

Masks

All children 5 years and older are required to wear a facemask, as mandated by the Government of Antigua and Barbuda.

Daily Health Check

Before entering the play area, temperature checks are carried out by one of our attendants. Should a child's temperature be above 99 °F or if a child displays any symptoms of the illness, they will not be allowed to sign in or to utilize the facility.

The Kids Club Bubble

To maintain the reception area as a safe space for our little ones, only one parent will be required for drop-off and pick-up. Children under the age of 3yrs and accompanying adults, nannies or babysitters will not be allowed past the reception area of the Jumby Explorers Kids Club.

We also ask parents to have the children come ready for fun in their swimmers and wearing sunscreen. Pack only one extra set of dry clothing in their bag, do not pack any toys, food, or water bottle, one will be provided and kept at the Kids Club to be used and sterilized daily.

Enhanced Hygiene

Our Jumby Explorers Kids Club Team has been trained and accredited by Worldwide Kids Company from the United Kingdom in COVID hygiene and safety measures.

EXPOLORING THE WORLD AROUND US

We offer endless possibilities to explore the local culture, our unique wildlife and natural surroundings (by bike, on the beach or on the water).

Our activities include:

- Visits to our Jumby Bay Farm to feed plucky hens and hangout with charming tortoises
- Learning about the endangered Hawksbill Turtle and participating in our Turtle Watch programme for the chance to see one of these magnificent turtles laying its eggs or hatchlings making their way through the surf
- Pedalling around the island on our Bike Safari tour, catching glimpses of an array of local wildlife
- Visiting Stingray City for the chance to swim with graceful stingrays
- Invigorating watersports like kayaking, paddle boarding, snorkeling and sailing
- Relay races on the beach
- Cupcake wars and themed Bake-offs
- Learning to play a local instrument - the melodic steelpan.

OTHER SERVICES AVAILABLE

- Baby & kid friendly personal care amenities
- Babysitting & nanny services
- Special needs care services
- Private swimming lessons
